Email: cacovaccaro@gmail.com Mobile: +44 (0)7590567175

London-based designer working with online projects for more than 10 years, nearly four of them in the UK. I focus my career on graphic, motion and interactive design for online advertisement campaigns. As a hobby I do photography, and I've got some of my pictures selected for the Getty Images Royalty Free Catalog. If you're interested, please find out more about my work at my websites:
